

SPECIAL REPORT

Some of the largest hotel companies by number of rooms have only a handful of hotels. Here is a look at how things differ when counting actual properties.

TOP 50

Now more than ever, the industry is focusing on brands and branding. A big brand footprint does not guarantee guest selection, but critical mass can't hurt.

TOP COMPANIES BY NUMBER OF HOTELS

Rank	Company	Hotels
1	Wyndham Hotel Group	7,043
